Protect Your Data

At First United CU, we offer many services to help protect your personal information. Feel secure doing business with us, where your financial security and data protection is always a top priority.

Consider the security measures we provide:

- Enjoy $0 fraud liability on Debit and Credit Card purchases. If fraud happens, you won't pay for charges you didn't authorize.
- Coming soon into our First United CU App, the ability to protect your credit card transactions. (Track balance, receive alerts on transactions and watch for fraud all in one location.)
- Sign up for text and email alerts so you can monitor balance levels and transactions.
- Receive your information electronically. eStatements and eNotices are the safest way to receive information. Electronic receipt ensures information can't be lost in the mail or left unattended in a mailbox.
- Sign up for My Virtual StrongBox. Your receipts, statements, and other credit union info will be stored safely in the cloud; files will be backed up and safe from prying eyes.
- Enroll in IDProtect® offers identity theft protection*. For just $2.00 per month, you gain numerous safeguards, including the monitoring of your accounts, and free access to your credit report and credit score.

**IDProtect service is a personal identity theft protection service available to account owner(s) and their family. Family includes: Spouse, persons qualifying as domestic partner, and children under 25 years of age and parent(s) who are residents of the same household. Service is not available to a "signer" on the account who is not an account owner. Service is not available to businesses and their employees, clubs and/or churches and their members, schools and their employees/students.*
