*By completing a Skip-A-Payment you are requesting First United Credit Union to advance the loan due date equal to one month's payment. You understand that the current balance of the loan is extended by the amount of the payment skipped and that interest will continue to accrue on your loan balance throughout the deferred payment period, which may further extend the term of your loan. If there is more than one borrower on a loan, only one borrower is required to authorize a Skip-A-Payment. During this time we are waiving the \$35 fee to skip a loan. Loans that qualify for this promotion are Credit Cards and Installment Loans. Loan payments skipped with this promotion do not qualify towards the normal Skip-A-Pay limits of one per year. This offer is for a limited time. Contact the credit union for details.
