1. RATE INFORMATION. The Annual Percentage Yield (APY) reflects the total amount of interest to be paid on an account based on the interest rate and frequency of compounding for an annual period. The interest rate and Annual Percentage Yield (APY) may change at any time as determined by our Board of Directors. You must provide and maintain minimum opening deposits and/or minimum daily balances in order to earn the APYs stated above or on our rate sheet, as so indicated.
2. COMPOUNDING AND CREDIT. The frequency with which interest will be compounded and credited and is set forth above. The "Month" begins on the first calendar day of the month and ends on the last calendar day of the month.
3. MINIMUM BALANCE REQUIREMENTS. The minimum balance requirements for each account are set forth above. Minimum balance requirements may include a minimum opening deposit, the minimum balance that you must maintain in the account to avoid service fees, and the minimum balance that you must maintain each day to earn the stated Annual Percentage Yield for that account. The Par value of a share in this credit union is disclosed on the Fee Schedule.
4. BALANCE COMPUTATION METHOD. We use the Daily Balance Method to calculate interest on your account, except the Rewards Checking. The Daily Balance method applies a daily periodic rate to the balance in the account each day. Rewards Checking accounts use the Average Daily Balance Method to calculate interest. The Average Daily Balance Method applied the periodic rate to the average balance in the account each month.
5. ACCRUAL OF INTEREST. Interest will begin to accrue on the business day that you deposited noncash items (e.g. checks) to your account. If you close your account before interest is paid, you will not receive the accrued interest.
6. TRANSACTION LIMITATIONS. For Share, Christmas Savings, Vacation Shares, Traditional IRA, and Roth IRA Accounts: during any statement period, you may not make more than six withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized or automatic transfer or telephonic order or instruction. If you exceed the transfer limitations set forth above in any statement period, your account will be subject to a fee or may be closed.
7. OVERDRAFT PROTECTION. *Standard Overdraft Protection* may allow members who are in "good standing" to overdraw their personal checking account up to \$500 by transactions using checks and using a checking account number like Bill Pay and ACH. The account must be open for at least 60 days. *Extended Overdraft Protection* is for added protection on ATM Withdrawals and everyday debit card transactions (recurring payments are not included). *Overdraft Protection Plans* are an option for members to choose to protect their accounts by using a regular share accounts or Visa Credit Card. To be in "good standing", you must be (1) making regular deposits sufficient to cover transactions; (2) bringing the account to a positive balance at least once every 30 days or less; (3) there are no legal orders outstanding on the account. If you overdraw your account, we may, at our discretion, pay overdrafts up to the \$500 limit. You will be assessed either a NSF Fee or Courtesy Pay Fee, but not both. These fees will be included in the \$500 limit. Overdraft Protection is a non-contractual privilege that requires no action on the member's part. It is not a loan.
8. REWARDS CHECKING REQUIREMENTS AND ADDITIONAL INFORMATION. Requirements. Make at least 10 signature debit transactions per month. Log into 24/7 Online Banking at least 4 times per month. \$250 direct deposit per month into Rewards Checking. Enrolled in eStatements, eNotifications and eAlerts. Disclaimer. Must meet requirements to earn interest on balances of up to \$3,000. Interest is compounded and credited monthly. \$3 per month fee without all requirements; \$3 per month fee without Direct Deposit. Rates are not available to businesses.
